ABOUT JONATHAN

Jonathan Westbrook is a CEO, strategist, and culture architect with over two decades of leadership experience, from boots-on-the-ground operations to boardroom strategy. As the CEO of East & Westbrook Construction, he leads a team of 350+ professionals and brings a grounded, results-driven approach to leadership transformation.

Through his ALIGN Method™ framework, Jonathan helps high-capacity leaders clarify their goals, tighten execution, and build cultures where excellence and authenticity co-exist. He works with executives, boards, and leadership teams who want to scale smartly, lead more effectively, and build legacies that last.

SPEAKING TOPICS

Jonathan speaks with clarity, candor, and energy. His talks combine actionable strategies with hard-earned insight, designed for high-performing leaders ready to grow.

- How a Decade of Competitive Debate Prepared Me for Business Success
- If You Don't Build Your Culture, Someone Else Will
- The Road to Success Is Paved with Good Intentions
- Work Is Hard No Matter What – Might As Well Set Yourself Apart with Fun
- The universal career advice I wish I had heeded even younger
- Build your rich sales and development pipeline one connection at a time

SHORT BIO

Jonathan Westbrook is a CEO and leadership advisor who helps high-capacity leaders align who they are with how they lead. He is the creator of the ALIGN Method™ and CEO of East & Westbrook Construction, where he leads a team of 350+. Jonathan speaks and advises across industries on building cultures and systems that work – and feel worth it.

AUDIENCE FIT

- Executive Teams & Board Retreats
- Leadership Conferences & Culture Summits
- Growth-Oriented Organizations & Family Businesses
- Civic and Business Leadership Events

STAGE + TECHNICAL NEEDS

- Wireless lav or handheld microphone
- Projector or large display (for visuals if required)
- Preferred setup: boardroom, retreat, or keynote formats

SIGNATURE FRAMEWORK: THE ALIGN METHOD™

Jonathan's 5-stage framework helps executives realign their leadership for better performance, clarity, and impact:

1. Awaken What Matters – Clarify your personal vision of success
2. Listen for the Disconnect – Identify friction points in culture and operations
3. Integrate with Intention – Install systems that reflect your leadership style
4. Guide Through Execution – Lead with clear expectations and consistent direction
5. Nurture What's Becoming – Establish a model for sustainable, scalable growth
